Parental Covenant

Since as parents you are the primary educator of your children, you will participate in the education of your children by:

- ...recognizing that all that we are and have is a gift from God*
- ...promoting positive attitudes toward school at home and in the community*
- ...bringing concerns about our child directly to the teacher*
- ...showing respect for the teacher as a professional person working for the well-being of your child*
- ...following the policies of the school*
- ...attending Mass on weekends and holy days with your children (Catholics)*
- ...promoting family prayer at home and faith traditions at home*

Terra Nova Testing in 3rd-6th Grades

This year, students in 3rd-6th Grade will be completing the Terra Nova 3 Standardized Test. **We will be administering this test at SKD the week of April 24th-April 28th.** In order for students to do their best, it is important that your child gets plenty of sleep at night and a good breakfast during the testing window. Also, please be cognizant of the tests when scheduling appointments or other events that may take your child out of school. Being to school **ON TIME** is critical during these days. Specific class testing times will be shared as we get closer to the dates.
